Help Wanted

The Two Rivers Watershed District in Hallock, MN is seeking applications for the position of District Head Technician.

This position requires knowledge of GPS surveying procedures, stream flow monitoring, agricultural drainage, flood control, ditch maintenance, permit analysis, drainage and watershed laws, geographic information systems, culvert design, field data collection, and general office duties involving word processing, GIS and database software.

Applicants should possess an associate's or bachelor's degree or have experience in survey, engineering, hydrology, natural resources management, GIS, or related field. This is a permanent, full time position. Salary commensurate upon qualifications. Pension, health and paid time off benefits.

Send cover letter, resume and references before 5/31/21 to: District Administrator, Two Rivers Watershed District, 410 S 5th Street, Suite 112, Hallock MN 56728. Call 218-843-3333 or email dan.money@tworiverswd.com for complete job description.
