To: Two Rivers Watershed District Citizen's Advisory Committee

From: Dan Money, District Administrator

Re: Notice of Citizen's Advisory Committee Meeting

Greetings,

The Two Rivers Watershed District (TRWD) invites you to attend a Citizen's Advisory Committee (CAC) Meeting to be held in the downstairs meeting room Kittson County Courthouse in Hallock, MN at 11:30 a.m. on Thursday, November 5, 2026.

The TRWD is seeking input from the CAC and the public regarding its projects, programs and initiatives regarding **Flood Control**, **Drainage**, and **Water Quality/Natural Resources**. We are interested in hearing from landowners and local, city and county officials, and other groups regarding our water management activities. This year in particular, we would like to discuss the update of the Districts *Overall Water Management Plan*, which will guide TRWD activities over the next 10 years.

The TRWD is required by statute to appoint the CAC to "*advise and assist the managers on all matters affecting the interests of the watershed district and make recommendations to the managers on all contemplated projects and improvements in the watershed district*". Appointments to the CAC were made by the Board of Managers at their January 2026 annual meeting. The TRWD welcomes all citizens to provide input.

Input on TRWD initiatives is periodically sought from the public through the Citizen's Advisory Committee, and we would like to hear from you about your thoughts on these topics and TRWD activities. Please take some time to review the enclosed agenda and come to the meeting with any input or questions you may have on what we are doing and how we can improve upon the delivery of our water management initiatives.

If you have any questions or comments regarding the upcoming Citizen's Advisory meeting please call the office at 218-843-3333. I hope to see you at the meeting on February 6th!

More info is also available on our website at:
