Help Wanted

The Two Rivers Watershed District in Hallock, MN is seeking applications for the position of District Technician.

This position requires knowledge of GPS surveying procedures, stream flow monitoring, agricultural drainage, flood control, ditch maintenance, vegetation management, permit analysis, drainage and watershed laws, geographic information systems, culvert design, field data collection, and general office duties involving word processing, GIS and database software.

Applicants should possess a degree or have knowledge and ability in the fields of land surveying, engineering, hydrology, biology, natural resources management, GIS, or related field. Applicants must be able to work outdoors in varying weather conditions, in various terrain, and lift up to 50 lbs. This is a permanent, full time position. Salary commensurate upon qualifications. Pension, health and paid time off benefits.

Send cover letter, resume and references before 12/31/26 to: District Administrator, Two Rivers Watershed District, 410 S 5th Street, Suite 112, Hallock MN 56728. Call 218-843-3333 or email dan.money@tworiverswd.com to obtain information or for a complete job description.
